Your shelf inventory must include every type of food group authorized on the WIC Program; however, you do not have to carry every authorized food item.

- You *must* carry *all* flavors of juice in frozen concentrate *or* all flavors in shelf stable form.
- You must carry at least one variety of Gerber iron fortified, dry infant cereal without fruit.
- You *must* carry Enfamil LIPIL with Iron in *either* concentrate *or* powdered.

• You must carry Prosobee LIPIE in entirer concentrate or powdered.				
CERTIFICATION				
I, the undersigned, certify that the vendor store identified above complies with the stocking requirement for WIC foods. I understand that providing any false information may cause the WIC Program to deny or withdraw my authorization to participate as a vendor in the WIC program. In addition, I may also be subject to penalty as outlined in 7CFR, Part 246.12, of the Food and Nutrition Service Code, in the case of deliberate fraud. The undersigned certifies that he/she has the legal authority to contract for this vendor ownership.
